Robby and Jon,

Please find attached an updated draft of the consent decree with payment percentages included. New Jersey indicated that our general approach was acceptable in an initial conversation. However, New Jersey has not given its formal approval to receiving 6.7% of the government share. That number may vary in later drafts, which may impact CDE's share. Here are the percentages in this draft:

	US	NJ	CDE
Allstate	93.3	6.7	0
0-4	93.3	6.7	0
4-20	74.6	5.4	20
20-50	70.9	5.1	24
50-75	74.6	5.4	20
75-100	76.5	5.5	18
Over 100	77.4	5.6	17

We have made no substantive changes other than adding in the payment percentages. However, you may notice that I have fixed a number of formatting glitches in this latest version (particularly in the appendices), so for your redline I would recommend starting from this draft if that is convenient.

As always, this draft is subject to review and approval of DOJ, EPA, NOAA, DOI, and New Jersey.

Best regards,  
Rachel
